## *From the Pastor*

My Dear Parishioners,

May is the month when we, as Catholics, traditionally turn our attention to Mary, the mother of Jesus.

Over a period of two thousand years, many wonderful, pious devotions have grown from the people with a wonderful affectionate love and admiration for Mary.

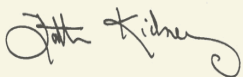

When I look back on my childhood, my family's devotion to Mary became a part of my life. Whether it was the family rosary around our kitchen table, or the Novena to Mary at the local Dominican church, the traditions became part of who we were.

Mary is an inspiration for each of us as we walk the road of faith and we struggle to impart our Christian values and ideals to our children in a very cynical and secular culture.

During her earthly life, Mary was not spared the pain or the anguish which can accompany parenthood and family life. As a young married woman her husband died, and as her life as a single mother continued, her Son was arrested put on trial, punished, crucified, and died. And she, as a mother, went through all those agonies and experiences.

She is truly a great model for us as we try to live our daily lives with the knowledge that, despite disappointments, abandonment, fear, and suffering, we can be sure that God is with us on the journey and that we are never alone.

Siempre Adelante!

Msgr. Liam Kidney  
Pastor

## Live The Liturgy

Christ's love for us is radical — it changed the whole world. It will not be easy to love as Christ loved, but this is the mission for which we have been chosen by God. So let us love one another. Let us change the world

Our Lady of Lourdes  
Pray for us

Please remember in your prayers our parishioner, Amy Soufo, as she joins others in the Order of Malta’s yearly pilgrimage to Lourdes, France, where the Virgin Mary appeared to St. Bernadette in 1858. The Sanctuary at Lourdes is a place of healing, where one comes to pray. Amy is taking our prayers and petitions with her.

## *Vocation*

Son of Mary and beloved of Joseph, inspire parents to foster priestly and religious vocations among their children and grandchildren...Lord, hear our prayer.

## **Safeguard the Children**

### **Did You Know? Bullying and disabilities**

A child with a disability, such as hearing loss, language impairment, learning disabilities, or physical disabilities, is often at increased risk for bullying. Children who struggle to understand social cues or control impulsive physical behaviors are also at increased risk, as bullies may see this behavior as aggressive, prompting an aggressive response. Children with learning disabilities are also sometimes easy targets for theft and vandalism. In schools, teachers and volunteers should be aware of these extra risks and watch for red flags. For more information, read the VIR-TUS® article “Children Living with Disabilities and Risk for Child Maltreatment and Victimization”

## Extraordinary Ministers Who Visit The Sick and Homebound

These ministers in our parish carry Holy Communion to our parishioners who are ill, homebound or in care facilities.

Their visits provide the sick or homebound person with an important link, perhaps the only link, with our Church and fellow parishioners.

The ministry is led by our parishioner, Denice Economou, and consists of many volunteers who are compassionate, devoted Catholics.

They are trained to share encouragement, prayer, and the healing power of the Holy Eucharist to our homebound parishioners.

To arrange a visit, please call the Parish Office at 310-454-1328. An assigned Minister of Holy Communion will then call you back to arrange a convenient time to visit.
